To All Stakeholders in Little Stanion Village

As a result of action taken by one of our creditors in issuing and advertising a “winding up petition” against JME Developments, we hereby state this matter is being dealt with in a professional manner and will be contested in the Court. It would be appreciated if all would refrain from unhelpful gossip in advance of the court process which will bring the matter to a conclusion.

Meantime it is “Business as Usual “

Signed: JME Developments Ltd
